RED RIBBON READING

SELWYN

2022

Complete this section in Spring:

Student Name:

Summer Reading Goal: _____ hours

DIRECTIONS:

1. Read, write and practice math June 2 – August 28.
2. Keep track of your hours using this chart. Each square represents 15 minutes, so for each 15 minutes of reading, writing and math, color in 1 square. Start with hour 1 and climb up to hour 100. (After 100, you may print off additional charts at selwynpta.org or keep track on the back of this sheet.) The light blue number in the box is the total number of hours you've read so far.

For every 10 hours you read, you earn a FREE space (with a red star). For every 25 hours you read, you will receive a raffle ticket (up to a maximum of 5 tickets) for prizes on **Red Friday** in the fall!

Complete this section in Fall:

Actual Time: _____ hours

Grade: _____

Teacher: _____
