

Red Ribbon Reading

B I N G O

Happy Summer Selwyn Eagles! How many ways can you get bingo this summer? Can you complete the card? Don't forget to count your bingo time on your RRR chart!

Send a postcard to a friend.	Go on a hike and count all the animals and plants you see.	Record an audio or video review of your favorite book.	Visit your local library.	Build a fort or create a reading nook to enjoy this summer.
Research a place to visit and the sights you should see.	Read a book of poetry and write your own poem.	Select a chapter book to read aloud with a relative.	Swap a book with a friend and compare your impressions.	Write and illustrate your own story.
Put on a puppet show or play with a sibling or friend.	Ask a relative to teach you their favorite recipe.	Ditch the screens and have a family game night.	Go to a museum.	Find a book on constellations and do your own star gazing.
Read a book to a younger sibling or friend or stuffed animal.	Listen to an audiobook.	Have a lemonade stand. Measure ingredients, count profits and promote Selwyn/RRR!	Take a walk around your block and draw a picture of something you saw.	With a friend, select a book to read and discuss.
Sign 5 yearbooks with a personal note about what makes your friend special.	Find a book about an artist or inventor. Make your own creation!	Watch a movie of a book you read. Write about the differences and which you liked more.	Set a personal goal for the summer. Write out the steps to achieve it and track your progress.	Write one of your teachers a letter about your summer or best memory from the year.
